

SOS J. N. Kaul Institute of Education, Bhimtal (Nainital)

Student Satisfaction Survey (SSS)

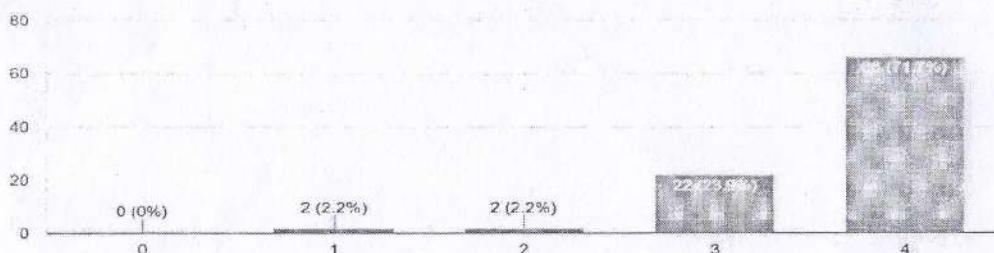

2020 -22

The Student Satisfaction Survey (SSS) was conducted by the Institute through online anonymous forms. The questionnaire was prepared as per the NAAC guidelines. The students rated the Institute on a scale of 0 to 4 on various dimensions. The result of this survey is based on the response of 91 students (2020 -2022Batch). The summary of the Student Satisfaction Survey (SSS) is presented below:

The students responded to all the questions given to them in the prescribed format. The forms were anonymous and the identity of the students is not revealed.

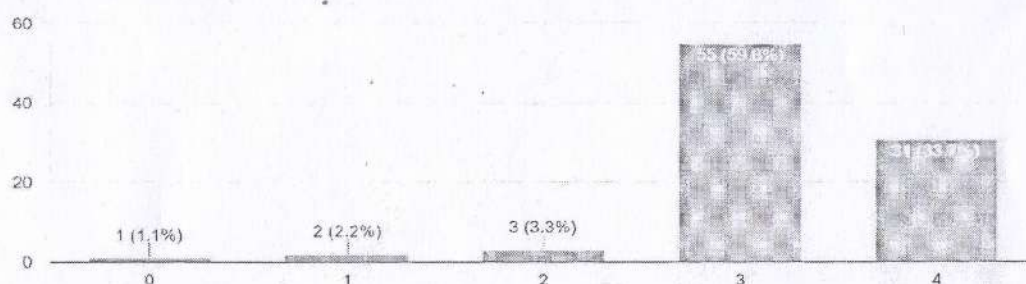

1. How much of the syllabus was covered in the class?

92 उत्तर

2. How well did the teachers prepare for the classes?

92 उत्तर

21	<p>Give three observation / suggestions to improve the overall teaching – learning experience in your institution.(Some Notable Suggestions)</p> <p>College environment is good.</p> <p>Overall Institute is a very good reaching learning</p> <p>Overall teaching was good.</p> <p>More emphasis on personality development.</p> <p>Emphasis on participation of all student</p> <p>Our performance should be discussed with us. Equal Opportunity must be given to all students.</p> <p>The institute prepares responsible and well trained teachers.</p> <p>learning experience in my institution is good</p> <p>Effective Environment</p> <p>The sitting arrangement should be improve in classrooms..</p> <p>Teaching learning process is good and effective.</p>	
----	--	--

The survey showed that all the faculties covered 72% of the syllabus in various semesters. The teachers prepared satisfactorily for the classes and they are effective in communicating with the students. The survey reflected that the teachers of the Institute are very good in teaching approaches. Teachers are fair in the internal evaluation process and the performance of the students in assignments is shared with them. The institute took interest in promoting internship and organizing student exchange as well as field visit opportunities for students. The teaching and mentoring process of the institution is working very well. The Students agree that the institution provided them with multiple opportunities to learn and grow. The teachers of the Institute inform the

students about their expected competencies, course outcomes and programme outcomes. The Mentor usually conducts a necessary follow-up programme with the students for the

assigned tasks. The teachers usually illustrate the concepts through examples and applications. The teachers reasonably identify the strengths and encourage the students by providing the right level of challenges. The teachers are usually able to identify the weaknesses of the students and help them to overcome them. They agreed that the institution makes an effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process. The Institute uses student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences. The students agree that the teachers encourage them for participation in extracurricular activities. The students are of the opinion that the Institute/Teachers make efforts to inculcate soft skills, life skills, and employability skills to make them ready for the world of work. The teachers most of the time use ICT tools such as LCD Projector, Multimedia, etc. while teaching. The student satisfaction survey reflected that the overall quality of the teaching learning process in this institution is very good.
